

## CREIA Advanced Mentoring Program Report Review Guidelines

### REPORT REVIEW STANDARDS:

1. The inspector's report shall conform to CREIA's currently approved and adopted Standards of Practice and Code of Ethics.
2. The inspector's report shall adequately address all of the items listed in the 10 Mandatory Sections of the CREIA Standards of Practice.
3. The inspector's report shall adequately address all of the items listed in the 2 Optional Sections of the CREIA Standards of Practice.
4. The inspector's verbiage of the report shall be consistent with the Definitions and Scope of the CREIA Standards of Practice.
5. The inspector's report, shall Disclose, Describe, and Direct Material Defects to the Appropriate Person/or Specialist for further evaluation. (**Note:** *If it's disclosed and described, it was detected.*)
6. The inspector's Report Review Panel Member (RRPM) shall identify areas of inadequate reporting or inappropriate use of verbiage.
7. The RRPM shall offer one or more suggestions for each unacceptable remark that would comply with sections 2 thru 6 above.
