MOLD! Why Now? DVD (2 Hour CEC exam)

\$38.01

Joseph Lstiburek is a forensic engineer who investigates building failures and is internationally recognized as an authority on moisture related building problems and indoor air quality. You will also receive a 20 question multiple choice exam with this DVD. Simply mark your answers and fax them back to CREIA. If you pass (15 correct answers required) you will be awarded two (2) Continuing Education Credits (CECs are B Level). Only the individual who has purchased the DVD program may submit the test for CECs. You may only submit this test once; if you fail there is no re-take and there are no refunds or exchanges (except for a faulty DVD which will be replaced upon return of the defective DVD).
